CARE THAT FEELS LIKE HOME

At The Earlwood, we believe recovery happens faster when you feel supported, respected, and genuinely cared for. Whether you're here for short-term rehabilitation after a surgery or hospital stay, our team is committed to helping you regain strength, independence, and confidence — one day at a time.

Located in the heart of Torrance, The Earlwood serves the South Bay community with a warm, family-oriented approach to care, backed by clinical expertise you can trust.

GET BACK TO YOUR LIFE, FASTER

Our short-term rehabilitation program is designed for patients transitioning from the hospital who need focused therapy before returning home. Our multidisciplinary team works closely with your physicians to build a personalized recovery plan.

THERAPY SERVICES INCLUDE:

- Physical Therapy
- Occupational Therapy
- Speech-Language Therapy
- Respiratory Therapy
- Post-surgical & orthopedic recovery
- Cardiac and pulmonary rehabilitation
- Stroke recovery

We coordinate closely with hospital case managers and discharge planners to make your transition into care seamless — and just as importantly, to make your transition back home smooth and well-supported.
